

## **RESPONSIBLE OFFICER**

### **BIOGRAPHY**

#### **DR CHARLOTTE RAYNER**

Dr Charlotte Rayner is a Consultant Physician with a specialist interest in respiratory and general medicine. Charlotte has developed an interest in the rapid assessment and management of acute medical and oncology conditions and the side effects of surgical, medical and oncology treatments. Charlotte now works solely in private practice and is a member of the MACs at Parkside Hospital, Cancer Centre London (CCL) and St Anthony's Hospital, Cheam. Charlotte chairs the Acute Oncology Group at CCL.

Charlotte's past appointments include: Clinical Director at Queen Mary's Hospital, Roehampton; Lead Clinician for lung cancer South West London; Programme Director of Training for General Medicine both at St. George's and in the South West Thames Region; Lead Clinician for respiratory medicine at St George's Hospital where Charlotte was also a member of the St George's Ethics committee. Charlotte is a performance assessor for the General Medical Council.

Charlotte was appointed as Responsible Officer for Aspen Healthcare in 2012 and is a member of ISROC. She is a member of the Pan London RO network.
